

BOULEVARD BANNER

September 18, 2009

2008 – 2009 Season

Issue # 1

MAGIC SCORE

This is where we will list the bowlers who have hit the magic score each week. The magic score is a secret number chosen each week. If a bowler bowls that score in their 2nd game, they win a free drink the following week.

CONGRATULATIONS

Congratulations to Chamar Goodwin and Jimmy Gulneck on their 300 games this week.

BIRTHDAYS

2 Packages Available
\$13.00/\$15.00 per person
Pizza Soda
Shoes Balls

Or customize your party with choices from our party platters.
2 hours of fun while the parents relax and watch (or bowl if the urge hits).

You bring the cake.
The birthday child receives a gift from the house and if you have 11 or more bowlers, the birthday child is free.
Sign up at the desk.

BOTW

Each week, 10 bowlers will be chosen as Bowler of the Week. That means they will have bowled. Either the high single, high series, or have been the most over their average for the week. Each winner will be given a card which entitles them to 1 free game of bowling for every paid game whenever they come in for open bowling. This is for the designated bowler only, not those bowling with him/her.
