I made a mistake last week when I said that I had done the newsletter for 20 years. It actually started Memorial Day weekend of 1992. The weather was beautiful and it was a holiday weekend. It was a little slow and I looked for something to do. I pulled out the typewriter that we used for correspondence and began to type some information about the people that had bowled that week in the summer leagues. (Back then our office computer only did bowling scores, no word processing.) I made a few copies and left them on the desk. Jack Scaccia Sr. came in the next morning and read what I had done. He really like the concept and asked me to do it on a regular basis. Eventually I graduated to a Commodore 64 and when we got Qubica, to a PC. A copy of the original Banner is on the next page. Although this is my last issue, you will still be able to enjoy the banner next year.

## SUMMER LEAGUES START

All of Boulevard Bowl's Summer leagues have gotten off to a fine start. We are pleased to see so many people enjoying what is traditionally a "winter" sport, during the summer.

## BOWLING TIP OF THE WEEK

How to make 10 pins.

Stand 10 boards left of the last dot on the left. Face your pin, walk toward the center arrow, and throw your ball over the center arrow. Last, but not least, it doesn't hurt to pray.

## LAST WEEK'S ANSWERS

### CRYPTOGRAM

#### One-liners

- Bowling is a sport that should be right down your alley.
- If you can't hear a pin drop, then something is definitely wrong with your bowling.
- Our small town used to have a bowling alley, but somebody stole the pin.
